Dear Principal

Sub: No fee increases for academic year 2018-19

In line with the recent decision (10/2018) by The Executive Council, the Knowledge and Human Development Authority (KHDA) confirms that there will be **no fee increase** for all private schools in Dubai for the academic year 2018-19.

This decision covers all types of fee increase requests i.e. regular and exceptional fee increases, including (but not limited to) previously approved increases for the academic year 2018-19. This includes schools who applied and were being considered for exceptional fee increases for the said academic year.

The above decision is valid for the academic year 2018-19 and future fee changes decisions will be communicated in due course.

Regards,

Mohammed Darwish
