

RUSSIAN INTERNATIONAL SCHOOL

RIS VISION 2017 - 2018

Marina Khalikova, School Principal

RIS Motto: “We are committed to excellence in education by striving to provide each student with opportunities to reach his / her potential as a lifelong learner in a challenging and supportive multicultural competitive environment”.

We aim to develop RIS 2017 – 2018 as:

- Inclusive School
- Innovative School
- Green School
- Reading School
- Moral and Giving School

RIS Philosophy: to practise Inclusive Education reflective in the outcomes of values, ethics, multinational culture and achievements.

RIS Mission: to develop the Social Model of strong school community and inclusion into Active Learning.

RIS Vision: to provide a comprehensive curriculum, international benchmarking assessment with the best outcome for children by enriching their academic potential and learning skills in line with up-to-date educational standards and IT technologies.

RIS Objective: to involve every student with Special Educational Needs and Disabilities; with high academic achievements; critical thinking abilities; research skills and talents into the educational process by making children happy, confident and valued at school in partnership with parents, teachers, administration and communities with health and safety provision.

Administration.
